

Limited LIFETIME PROTECTION Program

This Program provides added benefits when services using specified Mighty VS7® products are purchased. All services must be performed by an automotive service professional using Mighty approved maintenance procedures and Mighty products and equipment.

PROGRAM OVERVIEW

Maximum Coverage

for all the following services

Qualifying Mileage Intervals

based on vehicle odometer

	Program A	Program B	Program C
Maximum Coverage	\$6,000	\$3,000	\$1,000
Qualifying Mileage Intervals	0 miles 50,000 to (0-80,000 km)	50,001 to 100,000 miles (80,001-160,000 km)	100,001 to 150,000 miles (160,001-257,000 km)

BRAKES: Service using Mighty VS7 DOT 3 Brake Fluid (BK104, BK105, BK106) or Mighty VS7 DOT 4 Brake Fluid (BK107, BK108, BK113).

✔ **What is covered?** The pumps, master cylinder, calipers, valves and metalized hoses. Not covered are brake pads and shoes, rotors, ABS sensors, controller and other electrical parts.

COOLING: Service using manufacturer equivalent coolant and Mighty VS7 Coolant & Conditioner Kit CL108 (CL103 & CL104).

✔ **What is covered?** Heater core, water pump, radiator and freeze plugs. Not covered are hoses, clamps, engine components and thermostats.

DIFFERENTIAL: Service using manufacturer equivalent fluid and Mighty VS7 Limited Slip Differential Supplement (SB106) or Engine Guard gear lubes that meet or exceed manufacturer's specifications.

✔ **What is covered?** Only lubricated parts contained within the front and rear housing or case are covered. Not covered are the housing or case, axle bearings, U-joints, CV joints and boots, unless damaged due to a covered part.

FUEL (GASOLINE): Service using Mighty VS7 Service Kit (FL116 or FL135 & FL108 or FL135 & SB304 or SB450 or SB500 or SB550).

FUEL (DIESEL): Service using Mighty VS7 Service Kit (SB400) or FL130 & FL131 & FL132 (must be used with DFS910 Diesel Fluid Exchange Machine).

✔ **What is covered?** Oxygen sensors, PCV and deposit related malfunctions related to injectors.

POWER STEERING: Service using manufacturer equivalent fluid or Mighty VS7 Power Steering Fluid (PS102 or PS103 or PS112 or PS113) or Honda Power Steering Fluid (PS101), and Mighty VS7 Synthetic P/S 2-Step Service (SB105) or service with Mighty VS7 Synthetic Universal Power Steering Fluid (PS111) and Service Kit (PS115 or SB120).

✔ **What is covered?** Power steering gear box (or rack) and pump. Not covered are hoses, belts, brackets, leaking seals and gaskets.

TRANSMISSION: Service using manufacturer equivalent fluid or Mighty VS7 TR120 or TR200, and Mighty VS7 Synthetic 2-Step Transmission Service Kit (SB100). For CVT transmissions use Mighty VS7 Multi-Vehicle CVT Transmission Fluid (SB202).

✔ **What is covered?** The transmission housing or case is covered only when it is damaged by an internally lubricated part covered by this Program. Not covered are leaking seals and gaskets and electrical components.

OIL SERVICE initiated with Mighty VS7 OL102, OL103, OL105, OL106 or OL150. Service must use the correct oil viscosity grade as specified by the vehicle manufacturer and the change intervals must not exceed the manufacturer's recommended mileage interval. A new oil filter must be installed at each service. To keep this Program in effect, return to your Mighty service facility to have service performed within the required mileage interval.

✔ **What is covered?** The following items are covered: Pistons and rings, oil pump, cam shafts & bearings, turbo bearings, valve lifters, push rods, crankshaft & bearings, timing gears/sprockets, timing chains rods/rod bearings, intake valves & guides, cylinder guides/bore, rocker arms & pivots, and distributor drive gears. Timing belts and damage due to broken timing belts are excluded. Grinding adjustments to intake valves and guides are also excluded.

? How Do I Keep the Program in Force?

This Program takes effect after both 60 days and 750 miles (the waiting period) after the Mighty VS7 product(s) are installed. This waiting period is not applicable if the Mighty VS7 product is covered by an existing Mighty Limited Lifetime Protection Program that is already in effect.

The Program for Oil Systems is conditioned upon the performance of the required Mighty VS7 Service within the vehicle manufacturer's interval specification not to exceed **10,000 miles** of previous service.

The Program for Fuel Systems is conditioned upon the performance of the required Mighty VS7 Fuel System service within **15,000 miles** of the previous service. The timing belt and emission control system must be maintained as specified by the vehicle manufacturer.

The Program for Brake, Cooling, Differential, Power Steering and Transmission Systems is conditioned upon the performance of the required Mighty VS7 service within **every 24 months or 30,000 miles** of the previous service, whichever occurs first.

All services in this Program must be performed by a licensed professional service facility. You may not change your own oil or perform other services yourself, in order to keep the Program in force. There is a limit of one payable claim per service interval.

Important: You must keep all receipts and repair orders for maintenance and services required by this Program. Failure to provide all records will render this Program null and void.

? What Conditions Must Be Met?

This Program covers only legally registered, privately owned passenger cars, SUVs, vans and pickup trucks up to 9,500 pounds of gross vehicle weight that are exclusively for personal use. Motorcycles, RVs and vehicles with more than two axles are not covered. Vehicles used for competitive or commercial purposes are not covered. Leased vehicles are covered when leased by an individual who is primarily responsible for maintenance and repairs. Vehicles used for towing a trailer or other objects are not covered unless the vehicle is equipped with a factory installed towing package. Any claim resulting from collision, fire, theft, vandalism, contamination of fluids, or failure to perform normal maintenance specified by the vehicle manufacturer will void this Program. Pre-existing conditions, or documented mechanical defects, failures, recalls and other known technical malfunctions known by the vehicle manufacturer are not covered. Damage to system components occurring prior to service are excluded. Any vehicles classified as salvaged or junk titled vehicles are also excluded.

This Program will only apply to authorized repairs made for vehicles operated in the United States of America. Coverage from similar programs may be transferred to this Program provided all service records are available and conditions are met. See your service provider for details. This Program is transferable to a subsequent owner of the covered vehicle.

? What Is the Claim Procedure?

In the event of a claim, you must contact the Claims Administrator at **1-800-829-3900** Monday through Friday, between 7:30 am and 5:30 pm eastern time, before any repairs are made. Repairs not authorized by Mighty will not be paid.

You must provide the program administrator with evidence that all the required services were performed within the mileage intervals outlined herein. A grace period of 500 miles will be extended in order to stay in compliance with service interval requirements, including the initial service. Use of any products other than Mighty VS7 branded and/or approved products listed herein will void this Program. Payment of claims is limited to the labor hours necessary to make repairs or to replace any irreparably damaged parts as specified by Motor or Mitchell Flat Rate Guide or other recognized industry guide, multiplied by the repair shop's normal hourly rate, and the reasonable cost of the parts replaced of the kind and quality determined by the Program Administrator. Qualified repair expenses do not include rental vehicle expenses, towing, shop supplies and other similar expenses.

You must provide Mighty with a complete statement of damages and repair costs, and if requested, the damaged part, a sample of the fluid involved with the damaged part(s), and copies of all repair orders showing installation of the Mighty VS7 products involved with the damaged parts, and demonstrating compliance with the terms and conditions outlined herein. After the claim has been approved in writing, repairs must be made by the original Mighty VS7 authorized retailer or any other authorized Mighty VS7 retailer. Mighty reserves the right to verify the validity of claims through independent analysis.
